Rockville, Maryland — WTS International, Inc. has been selected to manage the exclusive new Grand VacationSpa at Hilton Grand Vacations Club on the Las Vegas Strip (HGVCclub). Prior to the July 15 opening of the Grand VacationSpa, WTS International also provided design consultation and service preparations for the 4,000 square foot facility.

Located on the first floor of the newest phase of the HGVCclub on the Las Vegas Strip resort, the Grand VacationSpa offers the ultimate spa experience. Amenities include six treatment rooms, a nail salon, full amenity locker rooms including rock steam rooms, and a relaxation lounge overlooking the spa garden. The Spa is truly a grand escape with an extensive treatment menu including aromatic facials, therapeutic massages, pampering manicures and pedicures, and restorative body treatments. Access to the Spa will be granted exclusively to guests of the three Hilton Grand Vacations Club properties in Las Vegas.

The addition of the sophisticated Grand VacationSpa is that very place. With a wide range of facials, body treatments, massage, and nail treatments, our highly trained staff will be sure to pamper our guests and enhance the quality of each grand vacation!" said Stiritz.
